

LICENSE AGREEMENT

Last updated October 20th 2017

Wonda VR

Please read this license agreement carefully ("The License") before using the Wonda VR software platform ("Wonda VR"). By using Wonda VR, you agree to be bound by the terms of this License.

1. General

Wonda VR SAS ("the editor") grants you, but in no circumstance sells to you, a License over Wonda VR Studio, its components and the documentation accompanying it, whether it be on a hard disk, a server or any other medium, under the understanding that it is only to be used under the terms of this agreement. The editor reserves all rights which are not expressly conferred to you. The License granted hereby does not include any patent or intellectual property right. You own the medium on which Wonda VR is installed, but the editor and/ or its licensors remain the owners of Wonda VR. The rights granted by the terms of this License apply to all updates to Wonda VR that are designed to replace and/or complete its original version, unless these updates involve a separate license.

The title and property rights associated with the contents displayed or accessible through Wonda VR are the property of their holders. A copyright or other intellectual property treaties may protect these contents, which will remain subject to terms of use stated by the third parties providing such contents.

Definitions of the components of Wonda VR software suite:

The "**Application**": the software for editing and publishing the interactive and multimedia Program that is installed locally on the user's computer, also known as Wonda VR Authoring Studio

The "**Interactive Program**": the work you created with the Application which is intended to be published for either a public or private consultation and is accessible via a web browser or mobile application. The Interactive Program consists of a selection of multimedia content (animated images, static images, audio items, text, static or animated elements, hypertext links, and contents imported from the internet) and an original navigation structure (.json) to access these contents. The Interactive Program is read by a Web Player that comes with the Application and can be viewed on Mobile Devices using separate Mobile Applications.

The "**Web Player**": the multimedia reader of the Interactive Program which is made accessible through a web browser. It is supplied with the Application under a separate open source << GNU GPL >> license and can be opened directly from the Application to view the Interactive Program at any time within a web browser. It consists of a multimedia engine, navigational features (menu, play-pause button, links) and a customizable graphic and ergonomic interface.

The "**Mobile Application**": the VR-enabled, cardboard-ready viewing mobile app for iOS and Android, and its associated extensions (see below). It is supplied with the Application under a separate proprietary license.

The "**GearVR Mobile Extension**": the VR-enabled mobile app extension for Samsung GEAR VR® headsets. It is made accessible after the download of the Mobile Application for Android as an optional extension package.

The "**Daydream Mobile Extension**": the VR-enabled mobile app extension for Google Daydream headsets. It is supplied with the Application under a separate proprietary license and white label license.

The "**Cloud Service**": the solution to host and stream your Interactive Program online, which is connected to the Application.

2. Permitted License uses and restrictions

- A. The present License allows you to use the Application on only one computer at a time and only for a single named user account provided to you when registering on Wonda VR website. You can only make a copy of the Application for the sole purpose of backup, on the condition that this backup copy shows all relevant information about the copyrights and other property rights shown in the original.
- B. The present License does not allow you to:
 - copy, print, transfer, forward or publish all or a part of the Application;
 - sell, lease out, sublicense, or distribute the Application in any way;
 - modify the Application's software and/ or merge all or any part of their software into other computer programs except for your individual and personal benefit only.
 - compile, decompile, disassemble, translate or analyze the Application's software, or undertake or attempt to undertake a reverse engineering, except to the extent permitted by law and if it is for your individual and personal benefit only.
- C. Certain components of the Application, including open source software designed by third parties accompanying them have been made or may be made accessible to the editor on its website 'http://www.wondavr.com/' under the collective title "open-source components" or equivalent. You cannot modify or replace these components unless: you comply with the terms of this License and any other clause relating to the use of these components. The editor is under no obligation to provide maintenance, technical or any other kind of assistance to the resulting modified Application or Web Player.

3. Publication of contents from the Application

The Application permits, or may permit in the future, the editing of text, videos, photos, sounds, static and animated graphics and any web based content (rss feed, YouTube videos, Google maps...) using iframes or external APIs. At any time, you are able to decide to export your interactive program to back it up and/ or to publish it online and share it by embedding your Interactive Program using the Web Player or by linking directly to the Mobile Applications (made available on Google Play Store or Android Store) where you can access your Interactive Program directly.

You are the only one responsible for the contents published from the Application. You, however, hereby undertake not to publish any content edited with the Application that may be against the law, notably those relative to the protection of certain people or minors.

IMPORTANT: It is your responsibility to ensure that you have permissions and sufficient usage rights for all contents edited and published with the Application. If in doubt, we recommend that you consult with your legal advisor.

4. Additional Services

A. If you wish to request any new feature or custom integration for the Application, Web Player or Mobile Application (e.g. White Label Export) or to ask the editor for any other services, including the choice of a dedicated hosting and streaming server, these services will lead to the establishment of dedicated specifications and a separate agreement, it being understood that the latter will not affect the conditions of the present License, unless otherwise stated.

B. On your request and subject to the editor's personnel availability, you can also benefit from technical support by phone or from customized training sessions. These services, including travel expenses, will be billed at the rates in force on the date thereof.

5. Transfer of rights

You cannot rent out, lease, lend or sublicense the Application, with the exception of the Interactive Program you have designed through the use of the Application which you may resell and copy freely without any specific obligation vis-à-vis the editor, including after the expiry of this License.

However, you can proceed with a single and permanent transfer of all your rights to the Application to another third party, provided: a) this transfer involves the entirety of the Application, including all of its components, original

data, printed documents and the License; b) you do not retain any copy of the Application, in whole or in part, including any copy stored on a computer or any other storage device; and (c) the receiving party reviews and agrees to accept the terms and conditions of this License. All of the components of the Application will be delivered as part of a single package and cannot be in any way separated or redistributed as individual Applications.

6. **Updates**

If an update to the Application completely replaces (full installation) a previous version of the Application for which a License was previously granted, you will remain responsible for backing up your files and projects before you update the Application.

These updates may be governed by a new license agreement (also called “general conditions of use”) that may completely or partly amend this agreement. Should this be the case, this update will be irreversible and it will be your responsibility to review and accept the changes to the license agreement, if any, before installing the update.

7. **Specific terms for Wonda VR Sample Materials**

Notwithstanding the content in other sections of this License, it is possible that you will initially be provided with a sample media assets and demonstration materials. Should this be the case, these media assets and projects must only be used for demonstration, testing and evaluation and cannot be resold, published or transferred under any circumstances.

The title and the intellectual property rights associated with the contents shown on or made accessible through the demo version remain the property of their holder. Their publication is not permitted.

8. **Specific terms for Wonda VR Free Plan**

The use of Wonda VR Free Plan is made available for all users and comes with restrictions (number of sequences, hosting and streaming service limitations, watermarking...) which the editor reserves the rights to change at any time.

9. **Specific terms for Wonda VR Non-Free Plans**

A. The acquisition of a paid subscription to use the Application (Starter Plan, Premium Plan, Enterprise Plan, Student, Academic and Campus Plan) will give you access to one or multiple license keys which can be used by only one user-seat at a time. This (These) license key(s) will allow you to activate specific authoring functions within the Application and access to specific levels of the Cloud Service (e.g. limited number of views / month) during a period determined by the date of the License. Unless otherwise stipulated by the editor, the duration of use of the Application is limited to the duration of the license you acquired. Notwithstanding of the above, in the case you decide not to renew your license, you will be able to continue accessing all your projects which remain your property and edit them outside of the Application and without using the Cloud Service.

The editor also reserves the rights to change the conditions and pricing of each of the subscription plans at any moment.

B. Your rights as a result of this License will be withdrawn automatically without notification by the editor if you do not comply with any one of the terms of its provisions. In such case, you will have to stop any use of the Application and destroy all copies, whether, complete or partial, of the Application and Interactive Programs.

10. **Reserved Plans and preferential rates for Academic use**

If you have acquired the Application at a preferential rate for use in an educational environment (i.e. Student, Academic or Campus Plans), you must meet the final educational user profile to use the Application. The designated group includes students, universities, staff and members of the personnel of an establishment or institution in which education is provided as the main activity (a university campus, a public or private school, for example). In this case, the use of the Application is strictly limited to projects related to the educational organization or associated projects.

Note: If the information provided for your purchase is found to be fraudulent, your license key may be deactivated until you can prove you comply with the terms and conditions applied to Academic use set here.

10. Warranty limitation

YOU ACKNOWLEDGE AND AGREE EXPRESSLY THAT THE USE OF WONDA VR IS AT YOUR OWN RISKS AND PERILS AND THAT THE ENTIRE RISKS AS TO QUALITY, PERFORMANCE, ACCURACY AND CORRECT OPERATION LIES WITH YOU. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE APPLICATION AND ITS ASSOCIATED SOFTWARE (WEB PLAYER, MOBILE APPLICATION AND CLOUD SERVICE) AND ANY SERVICES RENDERED BY THEM ARE PROVIDED "AS IS" WITH ALL DEFECTS AND WITHOUT ANY GUARANTEE OF ANY KIND. THE EDITOR AND THE EDITOR'S LICENSORS (REPRESENTED COLLECTIVELY BY THE EXPRESSION "THE EDITOR") EXCLUDE BY THE PRESENT LICENSE ALL WARRANTIES AND CONDITIONS, EXPRESSED, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO WARRANTIES AND/ OR IMPLICIT CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, ADEQUACY FOR A PARTICULAR PURPOSE, ACCURACY, EASE OF USE AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS, ALL AS TO THE EDITOR. THE EDITOR DOES NOT GIVE ANY WARRANTY AGAINST THE ABSENCE OF DISRUPTION DURING YOUR USE OF THE APPLICATION, WEB PLAYER OR MOBILE APPLICATION, OR CLOUD SERVICE TO THE EFFECT THAT THE FUNCTIONS CONTAINED IN ANY OF THE FORMER, OR THE SERVICES PROVIDED WILL MEET YOUR REQUIREMENTS, THAT THE FUNCTIONING OF THE APPLICATION OR ANY OF ITS ASSOCIATED SOFTWARES WILL BE UNINTERRUPTED OR EXEMPT FROM DEFAULTS, OR THAT ALL APPLICATION'S DEFAULTS WILL BE CORRECTED. NONE OF THE INFORMATION NOR ANY ADVICE, WHETHER COMMUNICATED ORALLY OR IN WRITING BY THE EDITOR OR BY ONE OF ITS AUTHORIZED REPRESENTATIVES, MAY BE DEEMED AS A GUARANTEE.

SHOULD YOUR INTERACTIVE PROGRAM PROVE DEFECTIVE, YOU WILL ASSUME THE ENTIRE COST OF ANY NECESSARY REVISION, REPAIR OR CORRECTION.

The Application and the Mobile Application lists and posts, leads to and provides online web services related to websites and information from around the world on the Internet.

In the event of a search using the Application or Mobile Application, as the editor cannot exercise any control over these websites, Interactive Program and information, no guarantee is offered with regards to them, especially with respect to, without limitation: (a) their accuracy, their availability, their order, their entirety, their validity, their content or their quality, or (b) in case of obtaining reprehensible or irrelevant results. In certain instances, the contents proposed on the Internet's being aimed at an adult audience and possibly considered as reprehensible with respect to certain people or to minors, the results of a search or the access to a particular address using the Application can automatically and accidentally produce links or references to such information. By using the Application, you understand that the editor makes no declaration or warranty as to the sites or information displayed or to which access is given by the Application, nor as to any web service provided by the Application in connection with such sites or information. The editor and its representatives cannot in any case be held responsible, directly or indirectly, by you or any other person, for the results obtained by the Application or for any other inaccuracies, errors or omissions therein.

11. Limitation of liability

IN NO CASE WILL THE EDITOR BE LIABLE FOR BODILY INJURY OR ANY ACCIDENTAL INJURY, SPECIAL, INDIRECT OR INCIDENTAL, INCLUDING BUT NOT LIMITED TO, DAMAGE DUE TO A LOSS OF PROFITS, LOSS OF DATA, BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGE OR COMMERCIAL LOSS RELATING TO YOUR USE OR YOUR INABILITY TO USE THE APPLICATION OR ITS ASSOCIATED SOFTWARE, WHATEVER THE CAUSE, REGARDLESS OF LIABILITY RULES (WHETHER FOR BREACH OF CONTRACT, CIVIL LIABILITY, OR OTHERWISE) AND EVEN IF THE EDITOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

12. Applicable Law

This License and its interpretation are solely governed by French law with the application of the United Nations Convention on Contracts for the International Sale of Goods being excluded. The parties expressly agree to bring any dispute concerning its interpretation and enforcement before the Paris Commercial Court, this court having exclusive jurisdiction.

13. Divisibility

If for any reason a provision of this License were found unenforceable, in whole or in part, its remaining provisions will remain fully applicable.

14. Entirety of Agreement

This License forms the entire agreement between the parties as to the use of Wonda VR – which is the purpose of this License – and replaces all proposals, prior or current, written or oral agreements, on its subject matter. No amendment or modification to this License will take effect unless set forth in writing and signed by a duly approved representative of the editor. Any translation of this License is done for local convenience. In the event of a disagreement between any translated version, only the English version will apply.

15. Third parties references

Certain parts of Wonda VR use or include third party applications and references regarding copyrights. All acknowledgements, licensing terms and warranty disclaimers of such elements appear in Wonda VR's electronic documentation with their use being governed by their respective terms.
